Updated 2022_09_10

Introduction

Welcome to Dublin Cultural Institute (DCI.) We hope your time at our school will be enjoyable and productive. Please take the time to read through this handbook so you can fully understand the policies and procedures designed to ensure a safe, enjoyable, and effective learning environment. This handbook should be read in conjunction with the Induction Handout, which you will receive at the Student Induction.

Location and Opening Hours

Students study in either the main building on 34a Bachelor's Walk or at the Abbey Street building, at 73 Middle Abbey Street, which is a one walk-minute away. There is a canteen in both buildings. The first step on your English learning journey is to record your current level. On your first day you will take the Placement test in Reading, Writing, Use of English and Spoken Interaction. The Written part of the test takes around 70 minutes, and the Speaking interview around 7-8 minutes. The Placement test takes places in the Abbey Street building. In the interview, you will receive feedback on your strengths and weaknesses discuss your own learning needs and you will agree goals.

Student Induction

On your second day, you are required to attend a New Student Induction after/before class. Here the Director of Studies will provide a comprehensive overview of the school and its services. If you cannot attend your scheduled induction, you should attend another Induction meeting within three

Cycles

You will hear the term 'cycle' often during your time at DCI. A cycle is a six-week block of study in which you will be taught by the same two teachers, with the same group, in the same room, covering half the units in a course book. At the end of a cycle, you will be assessed and placed in a new class for the next cycle. Normally you are expected to move up a CEFR level after each cycle, but it is not unnatural for learners to require extra time at a certain level, especially if they missed classes.

The dates of the 2022 cycles are as follows:

Cycle 1: Jan 10 to Feb 18

Cycle 2: Feb 21 to Apr 1

Cycle 3: Apr 4 to May 13

Cycle 4: May 16 to Jun 24

Cycle 5: Jun 27 to Aug 5

Cycle 6: Aug 8 to Sept 23*

Cycle 7: Sep 26 to Nov 4

Cycle 8: Nov 7 to Dec 16

**7 weeks*

Levels

The question is often asked how long does it take to learn English? The answer depends on many factors such as motivation, location, first language, lifestyle, resources, quality of teaching, aptitude for language acquisition and so on. However, on average we can say a typical learner takes 240 hours of guided learning to improve by two CEFR level (*e.g., A1 to B1*).

At DCI we split each CEFR level into two shorter levels. For example, B1 is divided into B1 and B1+. Each (half) level consists of 90 hours delivered as 15 hours a week over a six-week cycle. It is expected that every week, a student is completing at least five hours of guided study outside the classroom in the form of homework, assignments, and guided reading. Table 1 below shows the indicative hours at each level.

Table 1

Description	CEFR Level	Weeks
(Proficiency)	(C2)	(6)
Advanced	C1+	6
	C1	6
Upper Intermediate	B2+	6
	B2	6
Intermediate	B1+	6
	B1	6
Pre-Intermediate	A2+	6
	A2	6
Elementary	A1+	6
	A1	6
(Beginner)	(A0)	(6)

Coursebook

Every student is required to buy or rent a textbook. Students enrolled on course over 12 weeks must buy a book. The current price is €40. If you return the book in good condition before changing level, the school will exchange your book. Therefore, do not write in ink, and erase all pencil marks before exchanging.

Homework

At DCI you should receive and complete homework every day. The homework is designed to review important elements of the lesson or preview the next day's lesson. It is not designed to be time-consuming, but it remains important. Research indicates that information revised within a short time will be retained for much longer. Homework and private revision should be part of your daily study routine.

Assessment

Every two weeks you will take a test. In week 2 and week 4, the test will be a short check or review of the grammar and vocabulary covered in the previous two weeks. In week 6, the test will be more formal and will assess your writing, reading, speaking, and listening. The results of the week 6 assessment will determine your next level in the new cycle.

Feedback

After each test, you will receive individual feedback from your teacher. In week 2 and week 4 the teacher will give you feedback on the following criteria:

- Motivation
- Punctuality
- Class Participation
- Homework
- Test

After the end of cycle tests in week 6, you will meet with your teacher to receive your test scores using the following criteria:

- Reading
- Writing
- Speaking
- Listening

The end of cycle tests normally follow the format of the Cambridge exams:

- A2: Key English Test (KET)
- B1: Preliminary English Test (PET)
- B2: First (FCE)
- C1: Advanced (CAE)

Exit Exams

Visa students on 25-Week Academic Year programmes are required to sit an external Exit Exam in one of the following exams:

- Test of Interactive English (TIE)
- Cambridge Preliminary
- Cambridge First
- Cambridge Advanced
- IELTS
- Cambridge Business Vantage

Registration will be handled by the school. We can also arrange exams for short term student who wish to sit an exam in Dublin. You can ask your teacher about the exams or request an exam consultation with an academic manager by emailing Exams@dublinci.com.

Library

DCI has a small but valuable and growing collection of graded readers, grammar revision books, exam practice materials, and DVDs available for loan. You can borrow from the reception in Abbey Street or speak to the Director of Studies or Academic Director for recommendations, or to make requests for purchases.

Social Programme

DCI typically offers one social or cultural activity per week, normally on a Friday afternoon. We try to minimise the cost, if any. In the summer months, we offer weekend excursions. Periodically we present workshops such as CV Writing and an Irish Cinema Film Club and discussion and Drama Workshop. If you have an idea for a social programme activity we would love to hear from you.

Behaviour & Participation

Students are required to act in a manner respectful of the school, its premises, staff and students. Students whose behaviour is deemed disrespectful or disruptive will receive a warning. Repeated incidents will result in expulsion from the school. Expelled students are not entitled to a refund of fees.

Code of Conduct

Normally, language schools are enjoyable places where learners and teachers from different cultures come together and share views and ideas. However, sometimes misunderstandings occur, due to different levels of English, stress, tiredness impatience and so on. We expect everyone to act in a respectful manner to staff and fellow students. The following indicative guidelines will help you conform to our Code of Conduct:

1. Do not smoke or drink alcohol on the premises.
2. Do not enter the school under the influence of alcohol or drugs.
3. Do not carry weapons into the school.
4. Do not bring your bicycle or scooter into the school building.
5. Be sensitive to cultural differences.
6. Avoid excessive loudness and allow other students to contribute.
7. Refrain from bullying behaviour including mockery.
8. Do not seek to dominate class discussion or to monopolise the teacher's attention.
9. Avoid advancing excessively strong opinions on racial, political, religious, sexual, or gender issues.
10. Be mindful of others' personal space.
11. Do not eat in the classroom or bring in food or unlidded drinks.
12. Do not wilfully damage furniture, fittings, equipment, study materials or other property.
13. Do not attempt to defame the school, its students or employees by sharing derogatory or insulting images or remarks on social media.

Attendance

To guarantee the achievement of the learning outcomes DCI requires 100% attendance on all programmes. Attendance is recorded daily by the teachers and monitored by the Director of Studies. Attendance is particularly important on the Academic Year programme. Visa-requiring students are required to demonstrate a minimum of 85% attendance in compliance with INIS regulations. Attendance in a language course implies active participation in the lessons and a willingness to follow the teacher's instructions. Behaviours such as eating, sleeping, using electronic devices such as mobile phones, acting in a passive-aggressive manner, or other anti-

social or distracting behaviour are unacceptable, and will result in the student being asked to leave which will affect his/her attendance.

Attendance Rules

1. An absence is defined as non-attendance for any reason.
2. All absence needs to be explained to the Director of Studies by email to Dos@dublinci.com.
3. Each day consists of two sessions. There are 8 or 10 sessions a week in the Morning programme and 8 sessions a week in the Afternoon Programme. If you miss one session you will receive only 50% attendance for that day.
4. A one- or two-day absence needs also to be explained in writing in the form of a note to the teacher on your return.
5. An absence of three days or more requires a phone call or email during the absence, doctor's letter and a meeting with the Director of Studies upon your return.
6. If your total absence exceeds a cumulative 20% you will receive a first written warning.
7. If you have received a first warning and afterwards your total absence exceeds a cumulative 30% you will receive a second written warning.
8. If you have received a second warning and afterwards your total absence exceeds a cumulative 40% you will receive a final written warning.
9. If you have received a final warning and afterwards your total absence exceeds a cumulative 50% you will be expelled, reported to INIS and be rendered ineligible for a refund.
10. In the case of verified illness or emergency, the school may determine not to expel you but will report the attendance figures to the INIS.

Absence & Sick leave

All absence from class, including sick leave, must be explained by the student to the school. The student must both notify the school during the absence and provide further explanation upon return. The student must notify the school of his/her absence, or arrange notification of same, to the Director of Studies by emailing info@dublinci.com on the day of absence and each

subsequent day of absence. Upon return the student must submit an Absence Letter to reception. One Absence Letter should be completed for each absence period, whether it consists of a half day, full day, or extends over two or more days. If sick leave extends for more than two consecutive days, a medical certificate is required.

Back to School Meeting

The Absence Letter is reviewed and counter-signed by the Director of Studies and a follow-up Back to School meeting is scheduled if deemed necessary. A follow up meeting will be scheduled in all cases except where the student has a good record and is not in danger of a warning, or where the student is on a short programme and enjoys reasonable attendance record.

Holidays & Breaks

There are no holidays or breaks outside the published calendar for long term students. Request for extraordinary or additional holidays cannot be entertained. In individual cases personal circumstances may arise to make an enforced break from classes necessary. Examples include a court appearance or the serious illness or bereavement of a close family member. In such cases the school will support the student in every way possible but still must record the student as absent for every day that he/she is away from class. It is important to stress that absence is a statement of fact. It is unalterable record of lack of presence in the classroom, often for unavoidable reasons. Marking a student as absent does not automatically confer censure. The school has no option but to record the statement of fact accurately. For this reason, the school encourages 100% attendance when possible as it allows for a generous 15% cushion of absence in the event of such unavoidable illness or absence. The student must also inform the school of unavoidable breaks when they occur.

Short Term Students

With the exception of three weeks' Christmas closure, there are no scheduled holidays for students on programmes for less than 25 weeks. You may apply to break your studies with a holiday week, once it is compliant with the rules governing your immigration status. For EU student and Non-EU students on tourist visas of a maximum of 90 days, you may wish to make two separate bookings to allow for free time between bookings.

Academic Year Holidays

Students on Academic Year Programmes of 25 weeks are entitled to an additional 8 weeks of holiday. For every three weeks of studies you complete, you accrue one week of holiday. For example, a student who has completed 9 weeks of studies, has accrued three weeks of holiday. The minimum number of holidays to be taken at one time is one week. You should confirm holiday intentions at the beginning of your course. If you do not inform the school of your holiday plans within the first 12 weeks of your course, your holidays will automatically default to the following: 12 weeks (class) 2 weeks (holidays) 13 weeks (class) during your course and then 6 weeks of holidays after your studies. Students on courses which overlap with the Christmas closure must take three weeks of their holiday weeks at this time.

Punctuality

All students are requested to be in class at the scheduled time of commencement. You will not be admitted to class if you arrive more than 15 minutes late and will have to wait until the second session. This is a mark of respect to the teacher and the other students. Likewise, students leaving the class more than 15 minutes before the scheduled end of class will be marked absent for the period. Students who cannot remain for the entire session should not start the session. Students who leave the classroom during the session, whether on their own decision or because they are instructed to do so by the teacher, will also lose attendance.

Feedback

Informal Feedback

We hope that every student is satisfied with the service he/she receives at DCI. At all times we welcome comments and suggestions which can be brought up with the director of studies or any member of staff. Alternatively, you might prefer to email an anonymous comment to our virtual Suggestion Box here at info@dublinci.com.

Formal Feedback

Every six weeks you and your classmates will be asked to share your opinion all aspects of your classroom experience in the form of an online questionnaire.

Complaints

In the event that you are unhappy with any aspect of your experience at DCI please register a complaint. This can be done in person or in writing to our Customer Service Manager, Siobhan Smith: ssmith@dublinci.com. You will be contacted by an officer of the school within three working days with a view to resolving the issue.

Exit Questionnaire

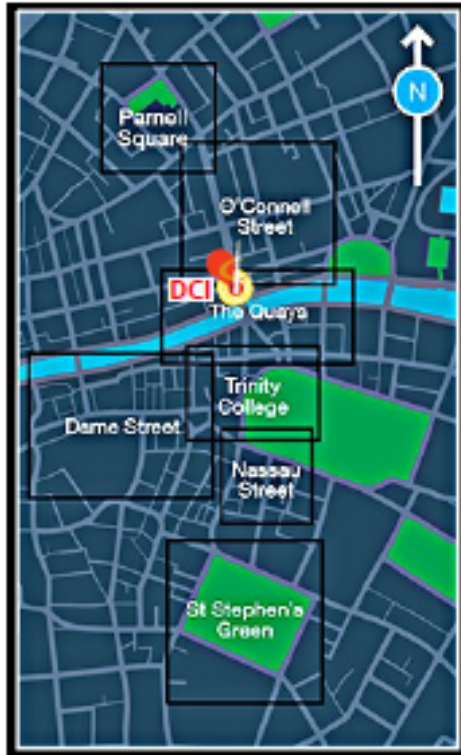

On leaving the school, we will ask for your closing remarks on your experience. As always, we ask for your honest feedback even if it is negative. As the school is relatively small you may be invited or requested to share your experience with the director or director of studies on your last day.
